

## FAIR TRANSPORT

FOR EUROPE — SOCIAL JUSTICE, SOLIDARITY, UNITY!

### #ETFwomen2017 conference closes

The new team leading the way for the ETF on issues impacting women transport workers has been elected in Barcelona. The women's committee for Europe was chosen by the #ETFwomen2017 conference. The conference has highlighted the priorities for ETF unions around supporting women members as tackling violence against women transport workers, attracting more women into transport jobs, achieving equal pay for equal work and establishing more trainers to cover education on gender issues.

### Your new ETF youth team

European young transport workers have elected their new leadership team. The under 35s who will take the priorities of ETF youth forward have been chosen during the #ETF2017 youth conference in Barcelona today.

### #ETF2017 Statement of the day

***"For the people sitting in this room right now and for the millions of women transport workers across Europe, our vision is for a fair and equal future."*** ETF and ITF Vice President Ekaterina Yordanova
