

FAIR TRANSPORT

FOR EUROPE — SOCIAL JUSTICE, SOLIDARITY, UNITY!

ETF is voice of European transport workers!

“Men and women in the transport sector are the arteries of an economic system moving people and goods around Europe and the world.” That from Javier Pacheco, secretary general of CCOO de Catalunya who was one of the speakers at the opening of #ETF2017 congress this morning. Go to to the congress website etf-2017congress.org and search the # on Facebook and Twitter for more.

Your #ETF2017 fringe programme

The #ETF2017 fringe programme kicked off today. There are 17 fringes happening in total over the 3 days ranging from women in transport to industrial hubs, XPO workers to developments in the shipping industry. See fringe reports on the congress website etf-2017congress.org!

#ETF2017 Statement of the day

“Our task is to make one country, one region and one people in a Europe that promotes peace and prosperity” Alexander Kirchner, ETF Vice President
